# CLOSE TO NATURE, CLOSER TO LIFE.

Though you are next to a lush forest, you are never far from the finest healthcare facilities, world-class educational institutions, star-rated hotels, financial districts and other important locations.

Map not scale. As per Google maps. The term "forest" is being used as an analogy to denote the semblance of greenery planned in the Project to that in a forest. The Project is being developed on residential land and is not notified as a forest.
